## Welcome to adult learning

Our adult learning programmes will lead to valuable qualifications and change your life for the better. Whether you want to go further in your current field, develop an entirely new career path or do a learning-for-leisure class purely for your own interest, we have the right solution for you.

Many courses are on offer, enrol today!

Reading College is well equipped to provide the training and skills that local businesses need. To do this we've worked closely with employers from across the Thames Valley region to ensure that our course content is relevant.

We welcome students of all ages and you will find the college a friendly, inclusive and enjoyable place to learn.

With us:

- You can fit in your study around work and family commitments
- Costs are kept to an absolute minimum <sup>[1]</sup>
- You have the chance to improve your English and maths skills

You can take your studies as far as you want to with courses providing progression routes all the way through to degree level qualifications.

Our adult learning programmes can make a big impact on your life. Choose what you want to achieve and we'll help you get qualified!
